The ASG APIs are generally made available to vendors and self-builders operating London Market broker, insurer or reinsurer policy administration, claims or accounting systems, with an IBA or general ledger, that don't already support ACORD messaging, but are looking to support EBOT/ECOT processing via API integration to Blueprint Two IPOS/ICOS services. The API documentation refers to ACORD GRLC implementation guides and other documentation found on the ACORD.org website. ACORD GRLC membership is required to access ACORD.org resources. Access to API documentation is at the discretion of ASG. Additional restrictions apply. For information purposes only.

The screenshot shows a web browser window with the URL `support.acordsolutions.com/hc/en-us/categories/10278798202253-Blueprint-Two`. The page title is "ASG Support Center > Blueprint Two". A search bar is visible in the top right. The main content area features a bold heading: "THE TECHNICAL RESOURCES ARE PROVIDED TO SUPPORT YOUR FIRM'S PREPARATION FOR THE NEW DIGITAL SERVICES." Below this, the text "EBOT/ECOT API" is highlighted with a red oval. Underneath, there is a link "EBOT/ECOT API Resources" with a lock icon. The footer contains the ACORD Solutions Group logo, navigation links for "ABOUT US", "CONTACT", "ABOUT ACORD SOLUTIONS GROUP", "PRIVACY POLICY", "ABOUT ACORD", and "COOKIE POLICY", social media icons for LinkedIn and Twitter, the AICPA SOC logo, and a "Support" button. Copyright information for 2022 ACORD Solutions Group, Inc. is at the bottom.
